Melissa Reitmeier, PhD, MSW  
*Training for Transitions PI*

Teri Browne, PhD, MSW  
*HEALS PI*

**March 4**  
Hamilton 226  
Noon-1:00

The College of Social Work will award approximately 38 scholarships for the 2016-2017 academic year through grants acquired by COSW faculty.

1.) **Health Education and Leadership Scholarship (HEALS) through NASW and CSWE**  
Chosen applicants are provided $2,000 each semester for a total academic year award of $4,000 and flown to DC for advocacy training and meeting with SC representatives. Students are required to complete a yearlong seminar class on integrated behavioral health, and complete professional development activities in health social work. *Students need to have secured a field placement at a HEALS-approved field placement site in order to be eligible to apply.*

2.) **Training for Transitions: Preparedness in Behavioral Health Social Work (TFT)**  
Chosen applicants are provided $5,000 each semester for a total academic year award of $10,000. Students are required to complete a yearlong seminar class on integrated behavioral health. *Students need to have secured a field placement at a TFT-approved field placement site to be eligible to apply.*

Learn how to apply for these scholar awards by attending this meeting!

Note that the field education list for advanced level students identifies which field placement site makes you eligible to apply.

**Please note that acquiring a field placement at an eligible site does not entitle you to a scholarship.**
